FISHING FOR SOLUTION COMPETITION

Theme of the Competition

Ensuring Aquatic Food Security During Global Public Health Emergencies

Eligibility

The competition is open for both local and international teams of graduate and undergraduate students (3 to 5 members aged 18 years old and above, and a faculty mentor).

Abstract submission

Submit an abstract of your idea related to the theme of the competition on or before 30 August 2021 (closes at 23:59, The Philippines time, GMT+8). Use the abstract submission portal on the website.

The abstract should contain the following information:

- Title (maximum 25 words, Bold Capital Letters, 14-point Arial, with scientific names italicized)
- A list of co-authors (12-point Arial font) and affiliation (10-point Arial font)
- Name of presenting author should be in bold letters
- Email address of corresponding/presenting author
- An abstract of 300 words or fewer, formatted using a sample template (see next page)
 - 12-point Arial, 1.15 spacing
 - Paragraphs should be separated by a blank line and should not be indented.
- 3-5 keywords

See the Abstract template below.

Abstracts must be in English — the official language of the forum. Use only one page, Standard A4 paper (portrait). Margin should be set at 1 inch throughout (Top/bottom/left/right).

The abstract should be saved and submitted in MS Word format. The filename should be in this format: *Fishing for Solution_surname of corresponding author_first three words of abstract title*

The Competition Committee will assess abstracts on the basis of technical merit and relevance to the competition theme. The decision of the Competition Committee is final and non-negotiable.

Those who have submitted abstract for the Fishing for Solution Competition will be notified as to whether their abstract has been accepted or not on 15 September 2021.
