## **ABSTRACT SUBMISSION GUIDELINES**

### **Scientific Oral and Poster Sessions/ Competitions**

We are pleased to announce the call for abstracts for the joint international virtual conference, ICFAS 6 and AFSSRN F1, which will be held on 24 -26 November 2021.

Those submitting abstracts for scientific oral and poster sessions/competition will be required to submit the following information:

- Title (maximum 25 words, Bold Capital Letters, 14-point Arial, with scientific names italicized)
- A list of co-authors (12-point Arial font) and affiliation (10-point Arial font)
- Name of presenting author should be in bold letters
- Email address of corresponding/presenting author
- An abstract of 300 words or fewer, formatted using a sample template (see next page)
  - 12-point Arial, 1.15 spacing
  - Paragraphs should be separated by a blank line and should not be indented.
- 3-5 keywords
- The conference theme to which the paper abstract relates
- Preferred form of presentation – oral or poster

- For students joining the competition, then indicate if joining a speed presentation competition or student poster competition, and the level --- undergraduate or graduate. Students may also indicate not joining any competition.
  - Only student researches finished during the last three school years (2018-2019, 2019-2020, and 2020-2021) qualify for the competitions.
  - Students of accepted abstracts for competition shall be required to submit a proof of being a student during the conduct of the research such as certificate of school registration or enrolment, or certification from the adviser.

Abstracts must be in English — the official language of the forum. Use only one page, Standard A4 paper (portrait). Margin should be set at 1 inch throughout (Top/bottom/left/right).

The abstract should be saved and submitted in MS Word format. The filename should be in this format: *Conference theme keyword\_surname of corresponding author\_first three words of abstract title*

Conference theme	Keyword
Theme 1: Aquatic resources, environments, and fisheries	AREF
Theme 2: Aquaculture	Aqua
Theme 3: Postharvest and biotechnology	Postharvest
Theme 4: Economics, governance, gender, and fisheries management	Economics
Theme 5 Socio-cultural aspects of fisheries and aquaculture	Culture

The Program Committee will assess abstracts on the basis of technical merit and relevance to the conference themes. The decision of the Program Committee is final and non-negotiable.

The call for abstracts will open on 1 August 2021 and will close at midnight on 30 August 2021 (Philippines time, GMT+8). Those who have submitted abstracts will be notified as to whether their abstract has been accepted (either for oral/poster presentation competition) or rejected on 15 September 2021.

Only abstracts of registered authors will be included in the Book of Abstracts and in the Conference Souvenir Program.

- Authors of accepted abstracts for oral presentation agree to submit to the conference organizer a 12-min pre-recorded video of their presentation on 15 November 2021. Authors of accepted abstracts for poster presentation agree to submit the digital poster to the conference organizer on by 15 November 2021 and their posting on the conference website or link.
- Accepted entries for the student oral speed presentation will submit a 5-minute video, while entries for the student poster presentation competition will submit a digital poster on 05 November 2021.
